Council discussed options for street repair. Council recommended as a part of the budgeting process that the funds budgeted in the 2014-2015 budget for Equipment Reserves would be budgeted in the 2016-2017 Budget to be used for street repairs (expenditure of reserve funds). It was discussed and decided that this was not the time to consider additional long term debt until CCA's contract has been decided.

Council heard concerns from Steve Wood and Daniel Lange regarding water pressure at their residences. Rodney will look into more options about possibly replacing a portion of the old line.

Council reviewed the proposed budget.

With no further business, the meeting was adjourned.

Mayor, Eddy Markham
